Low Bridge Productions (we, the licensor) grant a perpetual, non-exclusive, non-transferrable license to display, copy, edit, lend to students, and otherwise use the content of our "*The Grand Erie Canal - The Classroom Video Collection*" DVD for the fee and according to the terms listed herein. This license applies only to the content of the DVD alone, and for use in non-commercial educational activities in school programs falling within the licensee's jurisdiction. Licensees may not remove nor obscure any of our identifying information found in the content.

School districts wishing to license our programs should first buy a copy from Amazon.com at the then-current private user rate. Next, simply send a check payable to LOW BRIDGE PRODUCTIONS to the address at the bottom of this page for the balance according to the "License Pricing" schedule below. Keep a copy of this agreement, along with your canceled check for your records.

Licensees may copy the programs to their hardware and loan copies from their libraries. Additional replacement DVD's may be purchased from Amazon (if still available there) at the then current private-use rate for any use under this license agreement. The DVDs are produced by Amazon's "Create Space", and we provide no replacement warranty beyond theirs, or technical support for their use.
